- ♦ Saves time
- ♦ Increases productivity

IDEAL FOR USE IN THESE INDUSTRIES:

GARMENT AUTOMOTIVE UPHOLSTERY
MARINE EMBROIDERY
SCREEN PRINTING FURNITURE

Made in the USA

NG623 Flash Adhesive utilizes an advanced rubber system to create a product versatile enough for everything from crafts to industrial applications. High heat resistance (to over 200 degrees F) allows 623 to be used in a variety of environments including applications in engine compartments, around boilers, auto headliners, and for flash curing during screen printing.
